Cloakey/Sedelack

Owned in partnership with Lazy J Longhorns. Iodine's Condor (Olaf) is a Roughneck MC son out of a Red Iodine granddaughter who's sire is VJ Nestor. This makes him triple Butler legend and breed influencer, VJ Tommie. His dam carried the VJ brand and was 17 years when she came to us bred with this surprise bull. Olaf is in Texas breeding our small, straight Butler herd. He is maturing really nicely.
