

WA ETHEL

Date of Birth: 11/15/2023
Registration 1: C342335
Sale Price: \$

Courtesy of Wynfaul Acres

Sired by Iodine's Condor and out of Jackie Lynn 4084 this petite heifer has lots to like about her. She is very feminine and although smaller framed she is deep with a good hip. Her high horns are starting to roll over. She is a granddaughter to Red Iodine. The Iodine bloodline is undoubtedly noteworthy and pulls into both top & bottom of her pedigree.

Ethel is a low in the pecking order and more timid herd
