

## DG RIO'S DRAGON LADY

**Date of Birth:** 07/30/2016  
**Registration 1:** CI300247  
**Breeder:** KATHY LEWIS  
**Owner:** HELEN G. CLOAKEY

Bug has truly grown into a beautiful young cow. Her subtle, lateral twist is progressing well. She is deep bodied, has a great udder & incredible disposition. Bug coined the phrase 'Bug Love' on our ranch. She throws her head straight up & presents her chin for you to scratch. She had her second calf February 2020, an AI heifer by WS Hydro. We hope to be able to repeat this breeding for her next calf.
